Endorsement:-
Govt Pro. No. 2559 dated 27

February 1904 directing her to divide the above property so as to relieve Government from the liability of making over any balance to her.

Petition from Venkatakrishnamma received through the Deputy Commissioner, Mysore District stating that she has set apart Survey Nos 57, 58/1, 58/2 and 99 measuring in all 16 acres and 32 guntas assessed at Rs 108 for the same services stipulated by her in the temple and praying that they may be taken over under Government management.

Read,

Correspondence ending with letter No. 268 dated 18th March 1904, from the Deputy Commissioner, Mysore District, recommending that the petitioner's prayer may be granted.

Order thereon: No. 4002

7/24-6-06.

The petitioner Venkata Krishnamma

above referred to requested Govt.
that certain lands at Hindupal
in the Ramasamudra Hobli of the
T. Narsipur Taluk which she had
endowed to the Srinivasadevaru
temple at Melkote may be taken
over under Govt. management
on condition of a portion of the
income derived therefrom being
utilized for some stipulated
services in the temple and the
balance, after meeting the
Govt. demand being paid
to her. The Deputy Commissioner
supported the prayer of the
petitioner.

2. In the Govt. No. read above
it was observed that a combination
of charitable and personal
settlement of property did
not commend itself to them

and that the donor, if she liked might divide the property so as to relieve them from the liability of making over any balance to her.

The petitioner now states that she has divided the property and set apart the marginally noted lands exclusively for services in the temple and prays that they may be taken over under Govt. management and further be so that the marginally noted persons may be appointed Dharmadarsis to manage the affairs of the temple. The Deputy Commissioner recommends that sanction may be accorded to the above proposal.

Under the foregoing circumstances the Govt. are pleased to direct that the lands noted above be taken over under Government management

Sir,

Sri Panditratnam Kasturi Ranga Charya, you are well aware, has, by his death, left a blank in the country which can hardly be filled up. To perpetuate his name, I made suggestions some time ago, which however are still brewing. Apart from this there are three things which, Consequent on his vacancy, seems to me to be necessary for the furtherance of the usefulness of the Sanskrit Pathasala at Mysore. The Pandit was taking 3 classes: Nyāya, Mîmâmsâ and Vedânta. There are now no pandits who are capable of doing this. But the work can be distributed. In doing so preferance must be given to those of the College who were well trained

Rec'd

from

trained up by the Pandits, severally in these several branches. Of these, for the Vedânta, a Srivaishnava has necessarily to be employed. In filling up the other two, the Strength of the College as regards the Smârtha, Srîvaishnava and mâdhva elements must be considered. For some years, the Mâdhva element has been steadily increasing and the Srîvaishnava decreasing, the Smârta remaining Status-quo, as far as my information goes. It would seem necessary therefore to carefully weigh this equality-question in any arrangement that may be made. The third thing is the dispiritedness which prevails in the College on account of the curtailment of scholarships, effected some time back, by about Rs 200/-. This amount is, according to my information, simply robbed from Peter to pay Paul. Hence, Peter's own may be restored to him, inasmuch as he must be encouraged, as Sanskrit in these days, is very much a Sanctifying influence, recognized by all, the British governors of our land included.

2. I am not sure if the Oriental Library at Mysore is in your portfolio.

If

If it is, kindly take note; if not, kindly refer to the Officer who keeps it. There is a Series of Oriental publications undertaken in the Library. Many works by Sankarâchârya were published. I brought to Sir K. Seshadri Iyer's notice that other Systems also might be dealt with, suggesting that Bhagavadgîta, an exhaustive treatise by Vedântâchârya, called Tâtparya chandrika, may be undertaken to begin with. He issued orders accordingly. Meanwhile during the late Dewan-gov, a work called Chandrika of the Mâdhva System was introduced, to the prejudice of the former. What I pray now is that both may go on, even though slowly as there are Pandits of every persuasion in the Library waiting to do all the work.

3. I regret to inform that my Complaint to you about my late Sister Krishnammas Charity has not been heeded yet. The Charity is being Conducted on loan-money.

How does this stand?

I Am Sir,
Yours obediently.
A. Govindâchârya.
(Retd. Exec: Engr).

Respectfully submitted to the

2nd Councillor.

Mr A. Govindacharya

states in his letter of the 1st

instant :—

(i) that he made suggestions

some time ago to perpetuate the

name of the late Pandita Rukmini

Ranganathaya, which honours

are still lingering.

(ii) that in making provision

for the teaching of the 3 classes

taught by the deceased, viz

Nyaya, Mimamsa and Vedant

preference must be given to two

of the College who were held

well known up by the Pandit-

(iii) that for the Vedanta a Sanyasin has necessarily to be employed and that in filling up the other two, the strength of the College as regards the Smarta, Sanyasin and Madhwa elements must be considered

(iii) that the amount entitled from the Scholarship allotted some time ago may be restored

(iv) that Sitopanya chandrika by Vidwatsikhamani may be accompanied to be published in the Mysore Oriental Library

and (v) that this complainant this late sister Krishnamma's charity has not yet been heard.

2. I beg to state that there is no information in this Office

about the 1st point.

3. As regards the 2nd and the 3rd points, it is submitted that Pandita Rathnam Kasturi Ranga-charya was no doubt in charge of the 3 classes viz Nyaya, Vedanta and Mimamsa, but, it seems, that after his death, all the Mimamsa class students joined some other classes, as there was no other Pandit well versed in that subject. So, the Committee had to make provision only for the other subjects for which they recommended one Lakshmi-puram Seeniyasachariyar, an employee in the Govt. Oriental Library. But his nomination was not approved by the Hon'ble Councillor, who was pleased

to agree with the Inspector Secretary in recommending one Vajapeyam (a Brahmin) Sundaresachar for the vacant post on a salary of Rs 18 per mensem, the balance being utilized towards the increase of pay of some of the teachers in the Mysore and Bangalore Colleges — The above named Sundaresachar is said to be a learned Pandit in Nyaya and Vedanta. The file has been submitted to the Durbar for orders —

4. As regards Mr Govindachary's observation that for some years the Brahmin element has been steadily increasing and the Brahmin decreasing, I beg to submit herewith a statement showing the present Establishment of the College from which it will

will be seen that out of 26 persons belonging to Teaching and Supervising staffs, 14 are Europeans, 6 Eurasians and 6 Indians. Of the 6 Europeans one is dead but the proposed substitute will also be a European.

5. As regards the curtailment of scholarships, it may be stated that the original allotment was Rs 400 per annum but the full amount not being utilized for some years owing to want of students, the provision was, at the suggestion of the Committee reduced to Rs 306 per annum along with other amounts the balance being appropriated towards the increase of pay to the teachers of the Bangalore and Mysore

Colleges, and towards the employment of a few new hands in the former.

6. There is no information in this Office on the 4th point, as the Oriental Library is under the control of the D. of Education.

7. In the matter of the complaint about Krishnamma's charities, which is the 5th and last point, I beg to submit herewith the file (No 70 of 1898) relating to the subject. From it it will be seen that the Dy Comr of the Mysore District was written to from this Office 5 times, the last communication being on the 3rd ultimo. He will again be written to as personally directed.

Submitted with a draft
